New England Institute of Technology Hosts "Tech Nite" Open House

East Greenwich, RI – New England Institute of Technology (NEIT) will hold its **"Tech Nite" Open House** at the East Greenwich Campus on **Tuesday, February 7, 2017**, from **3:00 p.m. to 7:00 p.m.**

Visitors should report to the East Greenwich, RI, campus located at One New England Tech Blvd. where tours of this campus, as well as the Post Road and Access Road campuses, will depart. **"Tech Nite"** follows an open house format allowing individuals interested in studying at the university the opportunity to tour any of its three campuses as well as to speak with faculty, Admissions, and Financial Aid personnel.

New England Tech offers associate, bachelor's, master's and online degree programs in 56 technical and professional fields. All programs emphasize hands-on training courses combined with an integrated liberal arts core.

Some of the programs of study include health sciences, information technology, engineering technologies, architectural building, game design and development, graphic, multimedia and web design, electronics, interior design, criminal justice, automotive, digital media production, business management, veterinary technology, as well as the construction trades. NEIT also offers a fully online bachelor degree program for registered nurses (RN to BSN) and a Criminal Justice online/hybrid program for public safety professionals. Master of Science degree programs include Occupational Therapy, Information Technology, Construction Management and Public Health.

For more information regarding "**Tech Nite**" or any of NEIT's programs, contact the Admissions Office at 800-736-7744, 401-467-7744, email NEITAdmissions@neit.edu or visit the university's website at www.neit.edu.

                                                         ###

Under the leadership of President Richard I. Gouse, New England Institute of Technology is a private, non-profit technical university with an enrollment of more than 3,000 students. Founded in 1940, the university offers 56 associate, bachelor's, master's, and online degree programs and is accredited by the New England Association of Schools and Colleges, Inc. For more information, please visit www.neit.edu or follow news of the college on Facebook, Twitter, You Tube, Instagram, LinkedIn, Tumblr and the New England Tech Blog.
