

Veterinary Technician National Exam Three-Year Pass Rate

The three-year pass percentage on VTNE is calculated as follows: $X/Y \times 100 =$ Three-year pass percentage whereby X is the number of first-time candidates that passed the VTNE and Y is the number of first-time candidates that have taken the VTNE	Period from July 1, 2016 - June 30, 2019
Number of first-time candidates that have taken the VTNE	72
Three-year VTNE pass percentage	72.22%

Rhode Island does not require certification to work as a veterinary technician. Therefore, all New England Institute of Technology veterinary technology graduates, though eligible to take the Veterinary Technician National Examination, may not sit for the exam.
