

## Power Game Day!

Friday, October 24! 8:00 AM!

If you have not registered for Power Game Day.... You might want to... now!

Register for Power Game Day by midnight, Thursday, October 23, to be included in multiple door prize drawings: chances to **win a free badge to PAX EAST 2015!** Must be present to win! Must be able to go!

The 5th Annual NEIT Power Game Day is fast approaching! Set for October 24th, the day long event features guest speakers in the morning from game and media industries, the Student Showcase of Games in the afternoon and a marathon game tournament.

All VGDD/GDS classes will be canceled that day. All Video Game Design and Programming students are expected to attend this very important event.

If you have not attended a Power Game Day event at NEIT, prepare yourself to a day of information, inspiration, exploration and fun!

Boston Conv. Ctr. , March 6-8, 2015

## Video Game Technology Newsletter

### **Announcement:**

**The deadline for scholarship applications to be submitted to Financial Aid has been extended to Thursday, October 23<sup>rd</sup> at 12:00 noon. There are still a number of scholarships that are available. If you have any questions, please contact Maria Riccio in the Financial Aid department.**

### **Available to All Students:**

**NEIT ALUMNI SCHOLARSHIP** –A minimum of ten scholarships are being made available through the generosity of New England Tech alumni, employees, vendors and friends that supported the Annual NEIT Alumni Golf Tournament.

**TEXTRON SCHOLARSHIP** – Two scholarships are being provided by Textron, a pioneer of the diversified business model with over 32,000 employees and facilities in 25 countries.

**COMPASS CORPORATION SCHOLARSHIP** – Five scholarships are being funded by Compass, a leading food service company that specializes in the educational sector and operates the Food Court at New England Tech.

**MATTHEW J. FANDETTI MEMORIAL SCHOLARSHIP** – Matthew Fandetti was a nine-year employee of the Providence Journal Company, a wonderful colleague to so many in the journal family. Matthew was a native Rhode Islander and was nearing the completion of the degree requirements at New England Institute of Technology when he was abruptly taken away. Three scholarships are available to assist students. **REQUIREMENTS:** Must demonstrate a solid employment history, a love for learning, and interest in advancing his/her professional technical career.

**NEW ENGLAND TECH EMPLOYEE SCHOLARSHIP** – Three scholarships are being provided by the generosity of the employees of New England Tech to financially assist our students.

### **Game Development and Simulation Programming, Video Game Design Technology, and Information Technology Scholarships**

**DR. CURT SCHILLING TECHNOLOGY SCHOLARSHIP** – Three scholarships are being provided to insure students have the necessary financial resources to obtain their degree. These scholarships are provided by the generosity of Dr. Curt Schilling, an honorary degree recipient of New England Institute of Technology.
