MISSION RE-CONNECT - NEIT ALUMNI

Since 1940 NEIT has been educating and graduating students in a wide-range of technologies.

But . . . Where are they now?
What are they doing?
Where are they working?
Do they own their own company?
Did they get married?
What are their hobbies?
What are their interests?
And . . . most important of all?

WHAT DO THEY WANT FROM “THEIR” ALUMNI ASSOCIATION?

Your “MISSION”
- should you choose to accept it -
is to help build a strong and active
NEIT Alumni Association!

Let’s start the conversation on how we can RE-CONNECT NEIT Alumni!
