

Ready to Apply?

If you're ready to start the application process, we're ready to help! Log onto neit.edu/apply and complete an application. Once we've received your application, one of our admissions officers will reach out to help with next steps.

Financial Aid

Our team of financial aid officers are experts in helping students complete the necessary forms, and can help you determine how to lower the cost of your education. If you'd like to speak with an aid officer, please contact 401-739-5000 or email financialaid@neit.edu.

Questions?

Don't leave with unanswered questions! Please ask any member of our faculty or staff to ensure you leave knowing how NEIT can change your life. If you get home and realize you have more questions, email us at admissions@neit.edu.

STOP BY OUR STUDENT SUPPORT TABLES

Academic Skills Center

Providing a wide range of individualized services, the Academic Skills Center (ASC) is available for all students. Dedicated, professional tutors are available in all subject areas. Services are included in the cost of tuition, so stop-in to take advantage of the resources available.

Career Services

Learn more about the employment support our students receive during their time at NEIT and after graduation such as resume preparation and job interview coaching.

Student Support Services

Offering support to our students is central to our success. All students will be assigned to an advisor who will serve as a primary contact for questions or concerns throughout your academic journey.

Student Activities and Residential Life

Explore Meltzer Hall, our residence hall, or meet with students involved in our clubs, intramurals, esports teams and more!
