

NEW ENGLAND INSTITUTE OF TECHNOLOGY

2024-2025 FINANCIAL AID APPLICATION GUIDE

THESE CRITICAL STEPS MUST BE COMPLETED TO BE CONSIDERED FOR GRANTS, LOANS, OR WORK-STUDY:

- Visit <https://studentaid.gov/h/apply-for-aid/fafsa> to complete your Free Application for Federal Student Aid (FAFSA). Beware of false sites that request payment.
- Click the "Start New Form" button.
- Log in with your FSA ID (username and password). If you do not already have an FSA ID, please click the link to create one. Make a note of your FSA ID for future reference. Note: Contributors without an SSN can create a StudentAid.gov account to fill out their portion of your 2024-25 FAFSA form online.
- US Permanent Residents must have a copy of their alien registration number or permanent residence card.
- Select your role as "Student" or "Parent". You (the student) should select "Student." If a parent wants to start their dependent child's FAFSA form, they should select the "Parent" option. (**Dependent college students will need to provide their parents' full name, Date of Birth, Social security number, and a valid email address**).
- You must consent to link your 2022 federal tax data when prompted on the application. The FAFSA requires tax data two years before the school year (the 2024-2025 school year requires 2022 tax data). Gather your records regarding 2022 untaxed benefits, such as child support, worker's compensation, disability, Veterans benefits, etc.
- Select New England Institute of Technology to receive your Financial Aid results or enter our Federal School Code directly: **007845**. The Financial Aid Office will receive your 2024-25 FAFSA results once your application is processed.
